

Welcome to your Travel Plan Pack

Welcome to your dedicated Travel Pack. Here you will find information on how to take up more sustainable travel opportunities in Englefield Green.

As part of the Alderhurst development, this Travel Pack has been produced to set out strategies to increase the level of sustainable travel and minimise the impact of development traffic on local roads and the environment. By promoting and monitoring travel taken by residents, the pack will aim to:

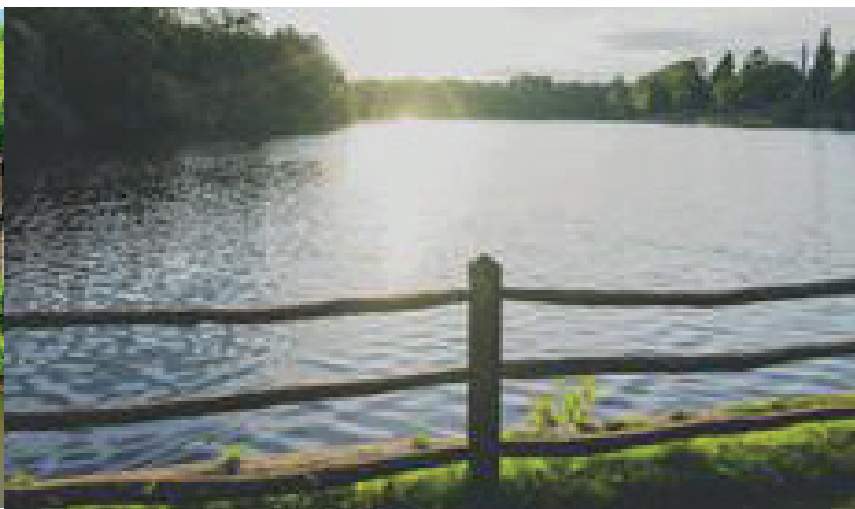

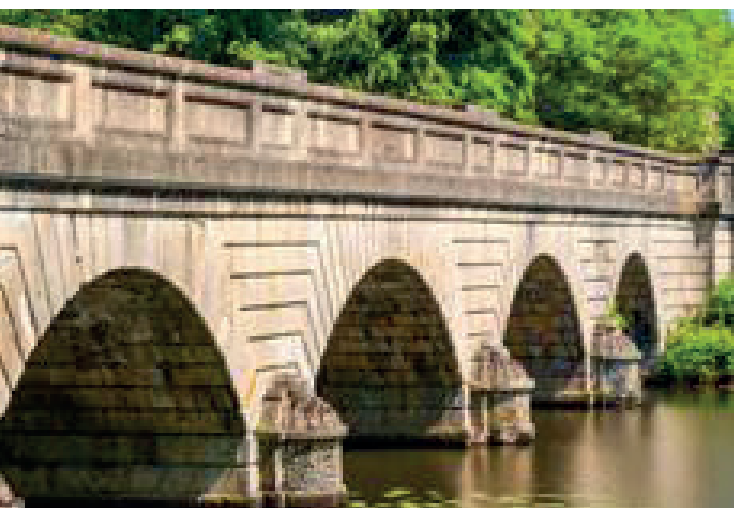

- **Support a range of sustainable transport alternatives by providing options for sustainable travel to and from the site.**
- **Develop an awareness of the options for sustainable travel to and from the site and local area.**
- **Promote car sharing, walking, cycling and public transport as safe, efficient, affordable alternatives to private cars and highlight the health and environmental benefits of using sustainable travel modes.**
- **Minimise the impact of car-based travel to the site on the local and strategic highway network and environment.**

In this pack, you will find a range of up-to-date information on walking and cycling routes, public transport, and other local opportunities in and around Lane End.

If you have any questions or comments, or require further information on the topics presented then please get in touch via the following email address: alderhurst@nkhomes.com

Your Development

Alderhurst is located to the south of Englefield Green on Bakeham Lane, approximately 5-6km southwest of Staines-upon-Thames. The development comprises 28 two-five-bedroom homes, a small number of 'chalet style' bungalows and a number of one and two bedroom apartments.

Walking & Cycling

Local Walking and Cycling Routes

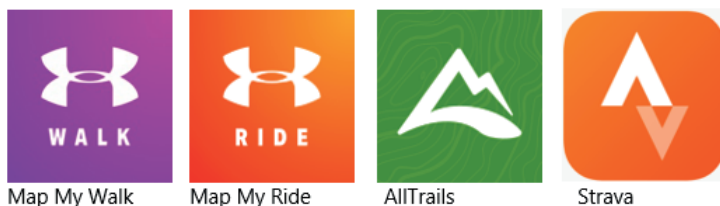

Alderhurst is surrounded by a number of walking and cycling routes into Englefield Green and beyond. Footpath 41 runs along the northern boundary of the site and in turn connects to footpaths towards Callow Hill / Virginia Water to the south and Egham to the north.

To the north, footways are present along Bakeham Lane and provide a connection into the centre of Englefield Green and to further public footpaths.

National Cycle Route 4 can be accessed from Coopers Hill Lane to the north of Englefield Green, approximately 2km to the north of the site; an 11-minute cycle. This is a long-distance cycle route between London and Wales, linking locally with Egham, Staines and Windsor.

Plans showing your local area, on-site connections and local walking and cycling routes are shown within this pack. For more information on local walking and cycling routes please visit the Surrey Interactive Map Surrey Countryside estate, Common Land and Rights of Way.

Useful Apps

[illegible]

Smart Driving

Car Sharing

Around 2.5 million people share their commutes to work every year in the UK. This removes 1.25 million cars from roads and saves around 1.25 million tonnes of CO2 per year. Car sharing is a great way to reduce the amount of solo car trips on our roads not only for work trips but for all trips. Other benefits include:

- Reduce the need for parking
- Meet new people in your community
- Save on average £1,000 per year
- Reduce the stress of driving

Public Transport

Bus Travel

The nearest bus stops to the site are located to the north on the A30, approximately 900m away; a 12-minute walk. Both northbound and southbound bus stops have seating, shelters, flagpoles and timetable information.

The stops are served by First Berkshire & The Thames Valley (Service 8) and White Bus (Service 441/441A & 500) which operate frequent services between Slough, Heathrow Airport, Staines and Royal Holloway.

For more information on the timetables and the bus passes available please visit [Berkshire & The Thames Valley | First Bus and Bus Services](#) | [White Bus](#).

Rail Travel

Please see below a table setting out the frequency of rail services, average journey time and parking options at the station.

Station / Parking	Destination	Frequency	Average Journey Time
Egham 54 car parking spaces 3 accessible spaces 76 sheltered cycle parking spaces with CCTV	London Waterloo	5 per hour	50 minutes
	Weybridge	2 per hour	17 minutes
	Reading	2 per hour	47 minutes
Virginia Water 85 car parking spaces 28 cycle parking spaces with CCTV	London Waterloo	4-5 per hour	52 minutes
	Weybridge	2 per hour	13 minutes
	Reading	2 per hour	43 minutes

For timetable information and live updates for this station please visit: www.nationalrail.co.uk

Commuter Links

A30 London Road

The A30 London Road connects with Virginia Water (3-4-minute drive), Sunningdale (10-minute drive) and Windlesham (14-minute drive) by routing north on Bakeham Lane or south towards Callow Hill and Christchurch Road. In turn, London Road connects with the A322 Bracknell Road for connections towards Bracknell and Wokingham (25-30-minute drive) and the M3, Junction 3.

M25

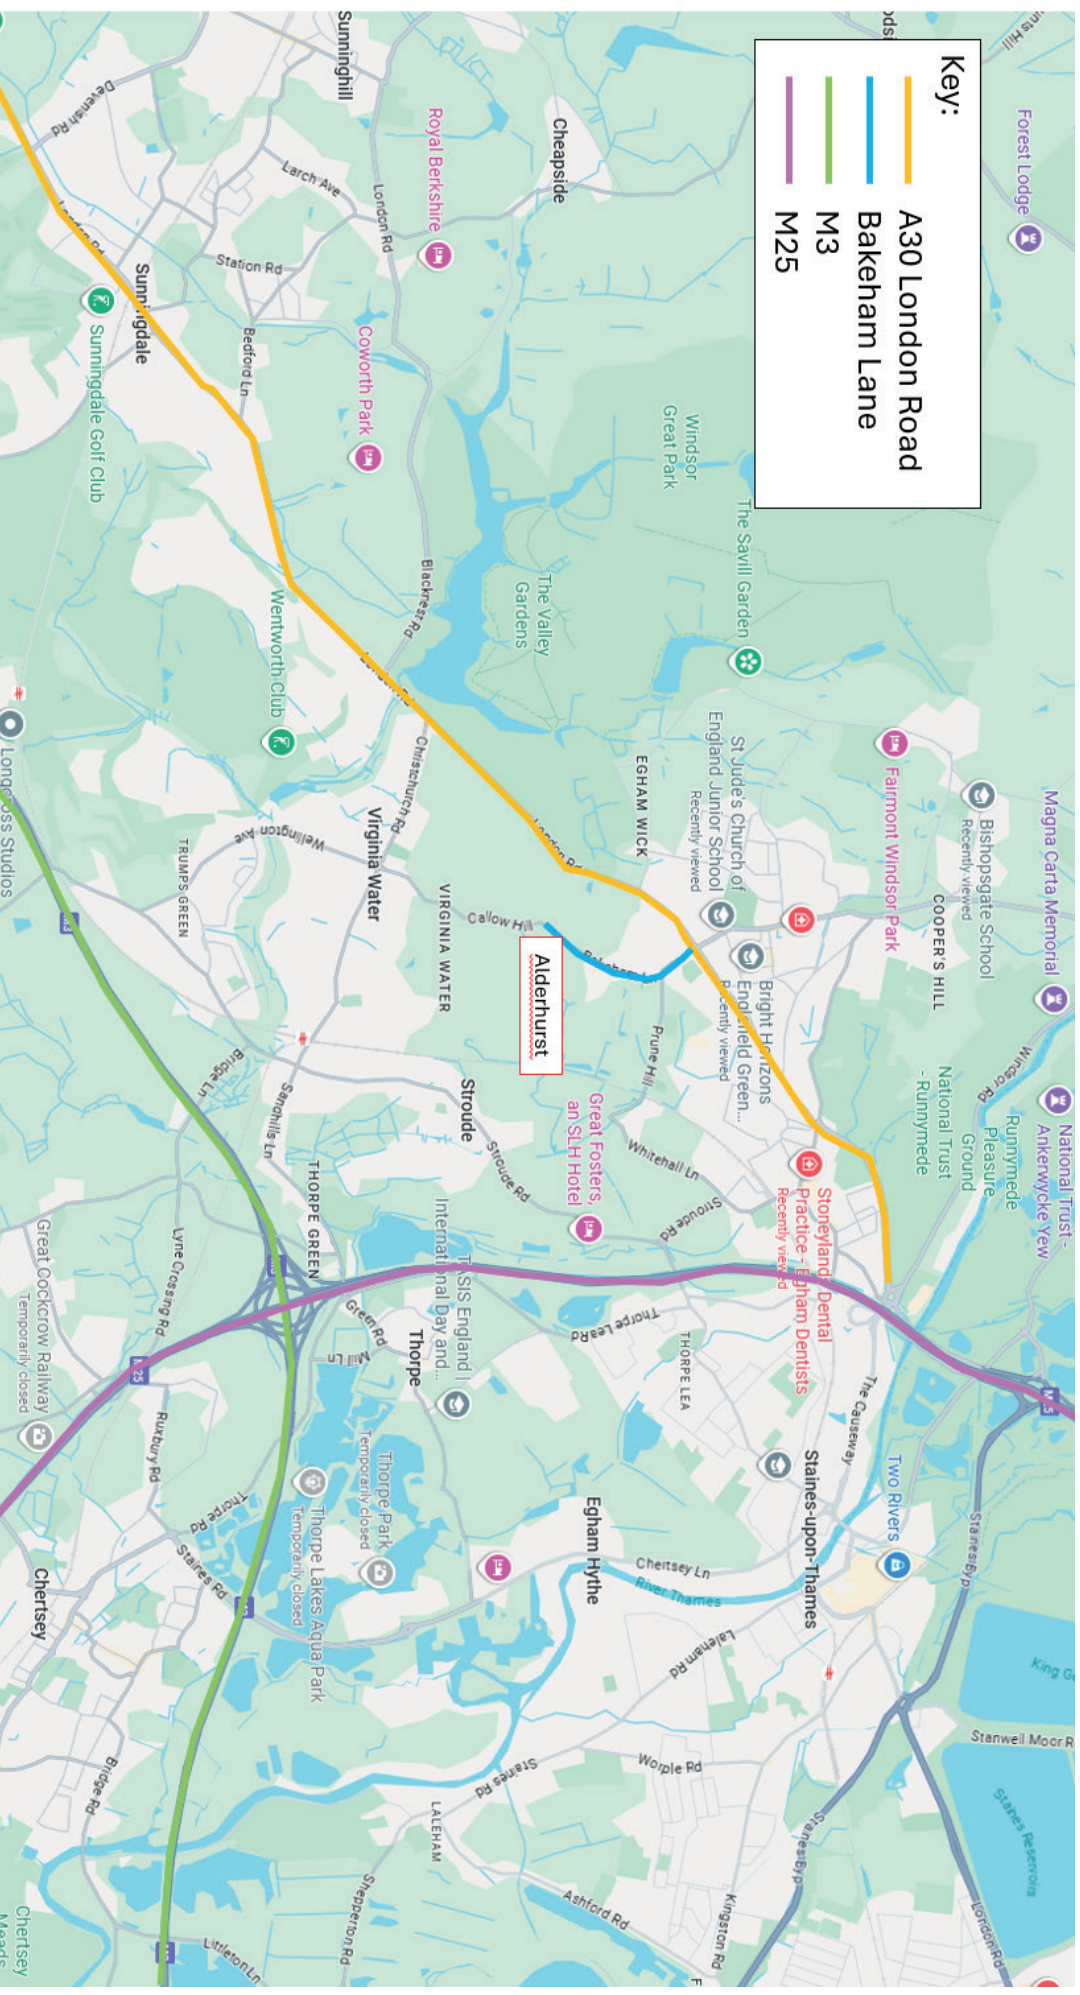

For journeys onto the M25, Bakeham Lane and Egham Hill provides a direct connection to Junction 13 where clockwise and anti-clockwise journeys can be made. The A1(M) can be accessed in 40-45-minutes travelling clockwise and the M23, approximately 35-40-minutes anticlockwise.

London Heathrow Airport

Heathrow Airport is located circa 16-17km to the northeast of Englefield Green (approximate 20-minute drive) and can be accessed via routing north on Bakeham Lane and joining the M25 at Junction 13.

Highway Plan
